

Did Jesus KNOW he was God?

Questions for thought....

Based on Matthew 4:1, Colossians, 2:9, I Corinthians 8:4

- . When have you been able to do something you originally thought you couldn't do?
- . Why would it have been hard for Jesus to convince people that he was God?
- . Which do you think would have been harder- convincing someone you're famous or convincing someone you're divine? Why?
- . What is your greatest hope for life 20 years from now?
- . When you are confused about your life, to whom do you talk?
- . What kinds of things do you think Jesus learned about himself as he grew up?
