

Can someone lose their salvation?

Questions for thought....

Based on Romans 8:38 39 (Try NRSV and The Message)

- . What images, feelings, or memories does the word SALVATION evoke for you?
- . What kinds of things feel like they get between you and God?
- . Can you think of anything else we can't be separated from?
- . Is it easy or hard to imagine someone loving you just for who you are, even with all your mistakes? Why?
- . If you were to imagine your relationship with God as a bridge, what would it be made of?
- . How might your friends define salvation? Family? Your pastor?
