The Agape Project:

Connecting with Partnership Village

We want to think outside the box by connecting high school youth in mission for the fall of 2011 on a bi-weekly basis. The Agape Project envisions high school youth from Westminster serving a meal, playing music, and sharing fellowship twice a month with children and youth from Partnership Village.

Westminster high school youth will choose to be a part of one of five teams: meal team, table host, music, recreation, or small groups. We also want to recruit high school youth (working with an adult) to be team leaders in each of these areas. An Agape night would look like this: the meal team would arrive early to prepare the meal; all teams would arrive at Westminster and then travel to Partnership Village. The schedule for each evening will include dinner, music, recreation and small group discussion.

We are in conversation with the Director of Partnership Village to ensure that the needs of the Partnership Village Community and the Agape Project intentions connect in meaningful ways.

We would encourage youth that are interested in the Agape Project to attend the fall retreat for all

high school youth with Asheville Youth Mission (Sept. 23-25).

The retreat will engage high school youth in a mission project and be led by leaders from Asheville Youth Mission.

On October 2nd there will be a meeting for youth (and their parents) who wish to participate in the project. Training will begin in October and the first night at Partnership Village will be November 6th.

Adult and Youth Team Leaders Needed for The Agape Project at Partnership Village:

Meal Prep/Clean-up

Table Hosts

Music Leaders

Recreation Team

Small Groups

Everyone who volunteers will have an opportunity to help.
