

THRIVE for kids!

This week: read pages 160–161 of the Growing in God’s Love Story Bible.

REFLECT

This poem teaches that God created different seasons in life for a purpose. There are times when we laugh, dance, and feel loved. There are times when we cry, mourn, or give up. Seasons change, but God is always with us and God’s love for us never changes.

What season are you in right now? How do you feel God’s love and support?

CONNECT

Read this poem out loud together as a family.

Talk about which of these times you have experienced.

How did you feel during each one?

ACT

Get out some paper and markers or crayons.

How could you use the words in the poem to make an encouraging card for someone who is sad or angry or hurt?

Everything has its time.

Ecclesiastes 3:1-8
