AMANI BEADS

Made from the clay of Mt. Kenya, Amani beads have been shaped, painted and fired by Kenya women in a fair-trade business. Most are donated to Amani Children's Foundation - a 501c3 organization focused on serving children who have been orphaned by AIDS and abandoned by Africa. Many are "imperfect," but members of Westminster shape them into beautiful, one-of-a-kind pieces of jewelry and art. It is a labor of love! The proceeds go back to care for orphaned babies at New Life Homes in Kenya. **These amazing works of wearable art will be on sale in Fellowship Hall Sunday mornings on December 7, 14 and 21.**

ALTERNATIVE GIVING

HONOR CARDS

It is a tradition for WPC to continue supporting our partnering non-profit organizations during the season of Advent by selling honor cards from each organization. Each card is a minimum \$5.00 and that money goes directly back to the organization. Last year's card sales totaled \$3,500! Just like in previous years, cards will be sold each **Sunday morning in December on the second floor - before and after 9 a.m. worship service and before the 11:00 am worship service.** You'll also be able to purchase them at the church during the week during office hours. Grab your list of folks you want to purchase a card for along with cash or check!
