**Appalachia Service Project (ASP)** is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair and replacement for low-income families in Central Appalachia. This fall we will journey back to Jonesville, VA - the ASP headquarters. On a service trip like this, along with home repairs, you can expect to also form relationships with homeowners and community members, learning about the Appalachian region and come away with a rejuvenated spirit to serve.

We will leave **Sunday, October 12** in the afternoon and arrive back in Greensboro later in the afternoon on **Wednesday, October 15**. Workdays are from 8:30 am - 4:30 pm working in groups of 5 - 7 people. The evenings are reserved for time for fellowship, reflection, sharing, local musicians and other free time. Normally last night our group goes out for Mexican food.

More trip details will be sent out to the team closer to the trip.

**Trip Cost: \$125 / person**

Cost includes transportation, food at ASP headquarters, and lodging.
