NEW Mission Engagement Display Walls

The wooden display walls are up and running! Next time you are at church, head on into Fellowship Hall and take a look at the two mission engagement display walls. One wall is dedicated to a mission spotlight. This month is a collage of photos from our three WNC Helene rebuilding mission trips. You'll also find a photo collages of the "Our Big Backyard: Connecting Across Cultures" event back in May as well as local missions. The second wall has a calendar of events, ways to get connected and information. This is the perfect outlet to find out more, know what's coming up, how to get signed up, and share with others.

Barnabas Network needs some help!

Barnabas Network - a nonprofit furniture bank - is getting ready for their Fall Furniture Auction Fundraiser. This means they have 100-200 pieces of Ikea-style furniture to assemble. They have reached out to us asking if WPC could help out. If you have some freedom in your schedule to help a few hours, grab a friend and come on out. They would greatly appreciate it. Just show up at **3701 Farmington Drive, Greensboro, NC 27407** (which is near the Harbor Freight Tools and Habitat Restore on Gate City Blvd). The two opportunities include:

- Tuesday, September 9 -- 5:00pm - 7:00pm
